We are from Asia

We are contractor

We've a perception issue

People from outside of our industry might see us like this - Blue Collar

Property of Milton Exhibits Group

A lot of people think these are our competitions

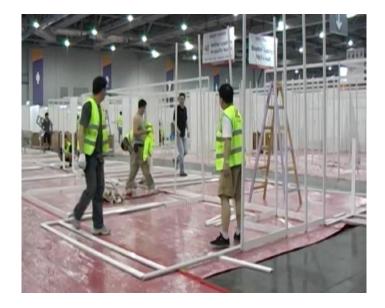

But our works are actually about

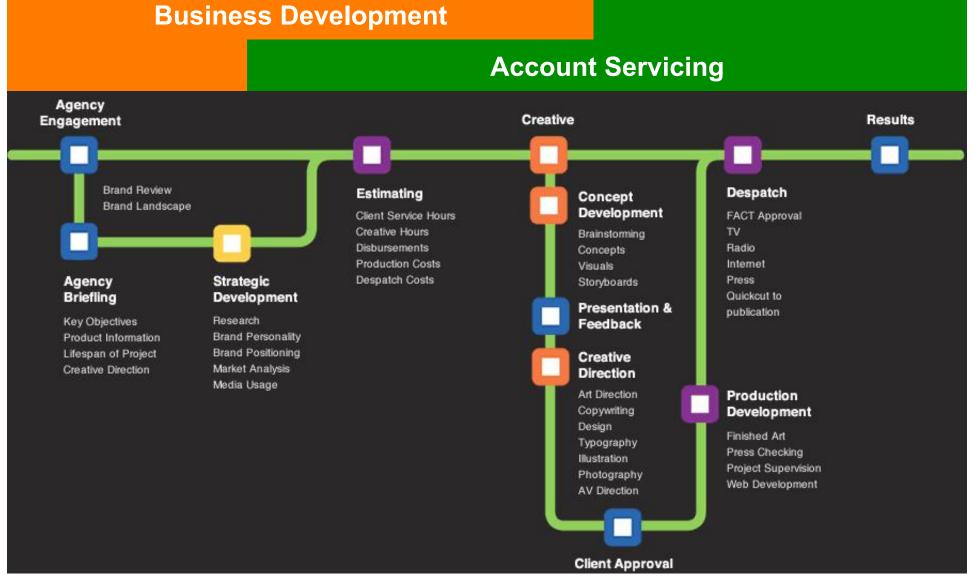

Operational Efficiency

Idea Creation

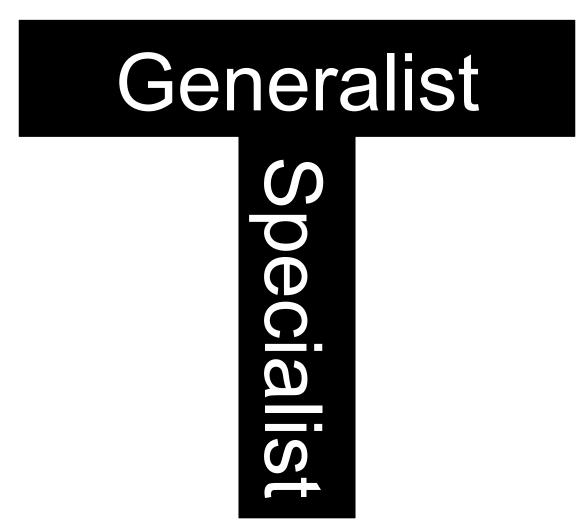

We actually do our works in this way

We determine to educate our new people's for mind and skill

Meet the graduates at the campus

Each year we select 8 to 12 graduates in HK and China respectively and to train them as our staffs
